SUBMITTAL OF THE LITERATURE SURVEY ON THE BEHAVIOR OF BURIED
CONTAMINATED CONTRETE (DES-009-95) - JEL-114-98

Action: No action required.

Attached to this letter is **"A Literature Review on the Behavior of Buried Contaminated Concrete Over Time and Relevance to Plutonium, Americium, and Uranium Contamination at the Rocky Flats Environmental Technology Site"** submitted by British Nuclear Fuels, Limited. Based on the contractual arrangements with BNFL, there is no formal review cycle on the Literature Survey; however, if you want to make comments please send them to Craig Cowdery at extension 2055, Building T893B. these comments will be passed on to BNFL so that, if possible, they can be incorporated into literature review when it is submitted again with the draft work plan.

If you have any questions, please contact Craig Cowdery of my staff at extension 2055.
